A word of thanks from **Adrian Capogreco**

While it has been a wild start to the year on many fronts, like many of you we look at the season ahead with great optimism.

At Nutrien we pride ourselves in being able to bring stability and reliability during any moments of volatility. So, while we remain positive about the prospects for Australian agriculture in 2026, we also stand ready to support our customers through whatever comes our way.

It's your great stories of resilience and innovation that motivate the team at Nutrien every day. Our goal is to support the success of our customers, that means we are determined to do everything we can to ensure you have the best chance of reaching your goals every season.

The Nutrien Rewards Program is our way of acknowledging your partnership with Nutrien and thanking you for your continued business. We encourage you to explore the great range of products available in this catalogue and make the most of your rewards.

Thank you for choosing Nutrien and all the best for the remainder of 2026.
